

**JOSHUA RIGBY, Hamilton Camp Director**

Joshua is a true leader who brings a wealth of positivity and enthusiasm to our camp. One of Joshua's strengths is his ability to bring people together. Joshua sees staff, students & group leaders as important members of one team, and he enjoys finding unique ways to get group leaders actively involved in running our program. Joshua holds a Bachelor of Education and teaches for the Hamilton Board of Education during the school year. He is so well-liked by our staff, group leaders and students that hugs and tears are a common sight on the last day of camp!
