The Claremont Project

Community Conversations Nextdoor

Help deliver events for community members aged 55+

- Weekly Friday classical music concerts. These run from 2 – 4pm (2 – 3pm performance, 3 – 4pm socialising with tea, coffee and cake). The second hour is an ideal opportunity for casual chats with members.
- Weekly 'Open Social Club', which takes place each Thursday from 2 – 5pm. These are self-led sessions, attracting an intimate group of our members who gather to socialise and work on small projects of their choice, such as completing puzzles. Play board games with members.
- Coffee Mornings - there are a few of these per quarter, which are usually themed.

Suitable for 18+ students, 2+ weeks. Please look carefully at the website
